In no event Nouvelle Noire or its suppliers will be liable to the Licencee for any consequential, incidental or special damages, including without limitations any lost profits, lost data, lost business opportunities or lost savings, loss of goodwill, lost business interruption, work stoppage, loss of data, or computer failure, even if Nouvelle Noire has been advised of the possibility of such damages, or for any claim against the Licencee by any third party seeking such damages even if Nouvelle Noire has been advised of the possibility of such damages.

The foregoing limitations will apply even if the above-stated remedy fails of its essential purpose. Licensor and Licencee acknowledge and agree that these limitations are an essential element of this agreement and that the price for the Licenced Software is determined in part by taking into account the existence of these limitations.

Some states or jurisdictions do not allow the exclusions of limitations of incidental, consequential or special damages, so the above exclusion may not apply to the Licencee. Also, some states or jurisdictions do not allow the exclusions of implied warranties or limitations on how long an implied warranty may last, so the above limitations may not apply to the Licencee. To the extent permitted by law, any implied warranties are limited to forty (40) days.

If any part of this EULA shall be or become invalid, then it shall be replaced by that valid regulation which comes closest to its meaning and intention. All other parts of this EULA shall remain valid in that case.

The Licencee agrees that the Font Software and documentation, and all copies thereof, are owned by Nouvelle Noire; and its design, structure, organization and encoding are valuable property of Nouvelle Noire and/or its suppliers. The Licencee agrees that the Font Software and documentation are protected by the copyright laws of other countries, and by international treaties. In addition, the Licencee agrees to treat the Font Software in the same manner corresponding to other copyrighted products, e.g., books. With the exception of the points explicitly mentioned here, copying and distribution of the Font Software is not permitted.

All copies that the Licencee is permitted to produce on the basis of this agreement have to contain the same copyright and other property clauses as those on or contained in the Font Software. The Licencee declares not to modify, adapt or translate the encoding of the Font Software, nor reproduce, decompile, disassemble, change, modify or otherwise attempt to reveal the source code of the Font Software.

The Licencee is also aware that Font Software is never completely errorfree and that the Font Software may therefore contain errors, which can affect functionality and operation. The Licencee agrees that the Font Software will not be shipped, transferred or exported into any country or used in any manner prohibited by the applicable export law, or other governmental restrictions or regulations of your country.

4.3 Claims

Claims exceeding the preceding warranty claims, e.g., compensation for idle time, loss of production, waste of material and other indirect damage, are explicitly excluded, provided said damage was not willfully or intentionally brought about or caused by gross negligence on the part of Nouvelle Noire. Liability is not assumed insofar as the damage does not stem from a grossly negligent breach of duty by Nouvelle Noire.

5 Confidentiality Obligation

5.1 Unauthorised Access to Font Software

The Licencee is obligated to undertake all necessary steps to prevent unauthorized access to the Font Software. The Licensee is obliged to inform employees and representatives and anyone who is granted access to the Font Software about the content and conditions of this present document.

Changes to these terms will be effective upon the earlier of your first use of the Font Software with actual knowledge of such change, or thirty (30) days from publishing the amended Agreement on www.nouvellenoire.ch.

If there is a conflict between this Agreement and the most current version of this Agreement, published at www.nouvellenoire.ch, the most current version of this Licence shall govern. Your use of the Font Software after the amended Agreement becomes effective constitutes your acceptance of the amended Agreement.
